

PAPAYA POWER

Enzyme Rich Fermented Liquid

THE POWER OF PAPAYA...

The all natural, fermented ingredients in Wise Nutrients Papaya Power contain a complex variety of enzymes which assist in breaking down and digesting proteins, carbohydrates and fats as well as live probiotics that can support a favourable environment for a healthy digestive and immune system.

Papaya is one of the richest sources of Antioxidants; up to twenty times more powerful than Vitamin E. It also contains a complex of Enzymes that help breakdown and digest proteins, carbohydrates and fats.

The nutritional value of Fermented Papaya Extract includes Potassium, Magnesium, Iron, Zinc, Beta-carotene, Thiamin, Riboflavin, Niacin, Vitamin C and Vitamin A. In the composition are Arginine, Lysine, Histidine, Phenylalanine, Tyrosine, Leucine, Isoleucine, Methionine, Valine, Glycine, Proline, Glutamic Acid, Serine, Threonine, Aspartic Acid and Tryptophan and Alanine.

In the past few years there has been some exciting new developments and research coming out on the health benefits of Papaya Leaf Extract. Modern science is finally turning back to something that our ancestors have known about for thousands of years and isolating the beneficial properties of Papaya Leaves. Papaya Power contains a complex variety of enzymes which assist in breaking down and digesting proteins, carbohydrates and fats.

PAPAIN is found abundantly in the green mature Papaya (Paw Paw) and is one of the most powerful plant Proteolytic enzymes, is a catalytic agent that will act in Protein digestion in an acid, alkaline or neutral medium.

Through the fermentation process, beneficial lactic acids are created which act as a natural preservative and help maintain a healthy intestinal tract.

THE POWER OF NATURE

- ✓ 100% Natural Ingredients
- ✓ 99% Sugar Free
- ✓ No Artificial Ingredients or Additives
- ✓ Naturally Rich in Papain
- ✓ 100 Concentrated Servings per Bottle
- ✓ Contains *Lactobacillus Acidophilus*
- ✓ Gluten and Dairy Free
- ✓ Natural Source of Live Enzymes
- ✓ Suitable for Vegetarians and Vegans
- ✓ Suitable for Children 2 years and over
- ✓ Great Tasting

SUGGESTED USE: Dosage 5-30 mls daily. In single or divided doses, preferably before food. May be diluted with water or juice. Shake before use, please refrigerate after opening.
